

# BEACHSPOKE

NEW PROPERTY GUIDE

## WHO WE ARE

We hold the keys to a select number of boutique properties that are as individual as the people who own them and the guests who stay in them.

The management of our properties is tailored to the individual needs of each owner and each location.

Each property is unique and managed as such. Our selective portfolio allows us to devote unparalleled time and attention to each property, whilst creating truly memorable holiday experiences for our guests.

Over the years, Beachspoke has garnered press from publications such as The Times, The Telegraph and The Evening Standard. Our high standard of press and marketing have participated to our above industry average occupancy and return rates throughout the year.

If the Beachspoke approach to property management sounds suitable for your home, we would love to design a management plan that works for you.

## THE FACTS

Beachspoke 2016 average occupancy rate:  
**72%**

### Individual Booking Values 2016

Property	Earnings	Occupancy (%)
Black Moon	£86,000	77%
Yarrow	£58,000	84%
Moon Shadow	£39,000	76%
Blue Moon	£33,000	64%

## THE GUESTS

Over time, we have worked hard to retain a strong database of loyal guests who have come to trust in the high standards associated with a Beachspoke holiday.

The Beachspoke guest demographic includes young professionals looking to escape the city, retirees looking for adventure and romantics searching for the perfect couples retreat.

We open the doors to a collection of one-off designed spaces that provide a completely unique holiday experience.

## OUR CRITERIA

The main criteria for Beachspoke properties is that they fit the design-led aesthetic of our portfolio, or possess the potential to do so. For this reason, it is key that every home is visited prior to being added to the Beachspoke group.

It is vital that we protect the unique and exclusive nature of our service and ask that owners adopt a sole agency policy when signing on with us.

We expect our property owners to support our high standards by investing in quality cleaners, luxury bathroom products and welcome packs for every stay

We partner with companies such as Roberson Wines and Bamford Bath & Spa to ensure we receive good rates on the quality products we provide.

## BEACHSPOKE PROPERTY REQUIREMENTS

Roberson Cremont Sparkling Wine	£11.00
Total	£144.83

## MANAGEMENT

We deal with all maintenance issues with individual house managers assigned to each property.

We organise and manage all payments for your property, producing monthly statements detailing all expenses alongside your rental income.

Our commission rate is 15% on all bookings. We operate a minimum three night stay policy. A short stay supplement is applicable on bookings of less than 3 nights.

We may choose to partner with carefully selected third party agents. This will always be discussed with the owner prior to any agreement, should we think this action necessary. Where another agent is used, Beachspoke charges 5% on the gross value.

This is in addition to the chosen agent rate.

On booking we take 50% non-refundable deposit which is paid to the owner in a monthly statement, minus Beachspoke's commission.

The remaining balance is paid two weeks prior to arrival of our guests. This is remunerated to the owner in the monthly statement minus Beachspoke's commission.

Beachspoke works around our owners. Personal bookings can be made at times that work for you. If you wish to occupy the property in high season or over key dates in the calendar (half terms and bank holidays), we will work with you to adjust booking expectations and targets accordingly

## STANDARD MANAGEMENT

Your property may already match the Beachspoke design criteria and therefore is not in need of renovations or refurbishments.

If so, we will request to be sent a selection of interior and exterior photographs that afford us a clear idea of the property.

We would then discuss the rental income you'd be wishing to achieve and would arrange a visit of the property. Following the visit we will then send a written report to summarise the details of the property and rental numbers expected

Non Refundable Property Visit Fee (incl VAT)\*  
£150

*\*May vary, depending on the location of the property*

## PROJECT MANAGEMENT

You may have a property that has potential in terms of its location and structure but requires renovations or refurbishments to elevate it to the standard expected of a Beachspoke property.

Beachspoke's team of qualified design experts look forward to bringing your design vision to life, whatever the size.

In this instance where the property is not ready to be put on the rental market and the owner requires our advice and guidance, a consultancy fee will apply.

This includes an initial advisory visit from which you would receive a detailed report, pricing projections and initial sketches and designs.

Non Refundable Advisory Visit Fee (incl VAT)\* £300

*\*Can vary on the location of the property*

## PRESS & MARKETING

We have a dedicated in-house press and marketing team that work hard to create current and strategic marketing plans to optimise occupancy and rental rates for each property.

This strategy includes social media marketing, content creation, SEO, brand partnership optimisation, email marketing and analytics.

Recent press coverage includes The Sunday Times, The Evening Standard, Huffington Post, The Observer and Harper's Bazaar. We do ask that our property owners factor in a maximum of two press trips annually into the booking calendar to help us garner national and international interest in our properties. Press trips will always be approved by the owner prior to confirmation.

We also invest in professional photography for each property to showcase your home to its full potential whilst remaining synonymous with the Beachspoke brand

Depending on the location of your property, we take the time to research and explore the surrounding area. We endeavour to establish and develop long lasting relationships with local businesses and tourist boards to provide our guests with exclusive rates and discounts and to create interesting guides to help better plan their holidays.

## BEACHSPOKE

*We hope that you have found the information about our management terms and conditions useful. We look forward to working with you and your Beachspoke property.*
